*Working and achieving together to enrich lives and nurture bright futures*

### News

It's been lovely to welcome the children back into school this week, we hope you all enjoyed the half-term break. We have now moved into the second half of the spring term and although again, it is very short at just five weeks, we know it can be a very busy time as we head towards Easter. We have lots planned and lots to fit in to our calendar over the next few weeks with a number of trips, class assemblies and special events planned in school. Please keep an eye out for communications on the Arbor App and via the diary section on our Newsletter.

Alongside today's newsletter, we have attached a copy of the Learning Accord MAT's termly newsletter, keeping you all up to date on what is happening across the MAT.

### Congratulations!

We would like to say a massive congratulations to Mrs Batty who is expecting a new baby later this year! Sending Mrs Batty and her family all our best wishes!

### World Book Day

We are pleased to be taking part in World Book Day again this year, the children will be taking part in fun activities and they are invited to dress up as a well-known or favourite character. We are not expecting parents to go to huge expense or effort – it is simply a fun day to celebrate reading. We will also be inviting parents into school to join in with some of these activities from 9.00am.

### Parent's Evening

Our next parents evening will take place on **Tuesday 9<sup>th</sup> April and Thursday 11<sup>th</sup> April 2024**. Bookings for this will open on Tuesday 5<sup>th</sup> March at 18:00pm on the Arbor Parent Portal App.

A letter with further information has been sent to you today. You will need to have logged in to the Arbor App to make an appointment, please see the office if you need assistance with this.
