Working and achieving together to enrich lives and nurture bright futures

World Book Day

It was lovely to see so many children dressed as their favourite book characters on Thursday! There were some really creative outfits on show. Thank you to all the parents and carers that were able to join us for some fun activities in class too! You can check out the pictures on our facebook page.

HAF Easter Holiday Club

This Easter, Provision will be running their HAF Funded Holiday Club in school again. If you would like to apply for a space for your child, please complete the form via the link below, or see the office for a paper copy.

My Happy Mind

After Easter, we will be introducing a program to all year groups at school called myHappymind. myHappymind is all based around helping children to understand how their brain works and to support them in developing positive mindsets and habits to be their very best selves! There is also a parent app so you can get involved too. We will be sending out more information on this next week.

Red Nose Day

On Friday 15th March we will be holding a non-uniform day to raise funds for Comic Relief. Donations can be made via our ParentPay charity page using the following link.

Edgerton Dental Clinic is currently accepting children aged 0-11 through the NHS

We understand the growing concerns about finding an NHS dentist for your children, and regular dental check-ups are crucial for your child's overall well-being, so we're here to ensure they receive the best care possible.

If your child is not currently registered with an NHS dentist, we encourage you to contact our practice for assistance in scheduling an appointment. Spaces for children will be allocated on a first-come, first-served basis, with priority given to children aged 0-11 years old ensuring their dental needs are promptly addressed.
