News

We have been very busy in school this week, the rain on Wednesday didn't stop the children in Reception from having a fantastic time at Butterfly World and the pupils in Year 6 have been working very hard for their SATs tests. We are very proud of you all!

From next term, we are pleased to let you know that all parents are welcome to attend our celebration assemblies on a **Friday** afternoon. These are held at **2.45pm**, please sign in at the school office.

At the end of this term we will be saying goodbye to Mrs Saddique, who leaves us to start a new job. She will be greatly missed and we wish her the best of luck!

**OUR  
BIENNALE**

celebrating arts & culture  
with young people

### WHAT IS OUR BIENNALE?

Our Biennale is a festival of  
arts and culture made with  
children and young people in  
Kirklees. Throughout the festival  
musicians, artists, theatre-  
makers, and choreographers  
work with schools, colleges, and  
communities to enable children  
and young people to make their  
very own remarkable pieces of  
music, art, poetry, drama, and  
dance.

Produced by the Kirklees Local Cultural Education Partnership, Evoke, Our Biennale is led by The Children's Art School. Partners from Evoke collaborate with young people, artists, cultural organisations, and teachers in Kirklees to co-create this amazing festival for the whole community.
